

Accommodations

Most nights are spent at one of two Lutheran owned and operated, gated hotels with twin bed room and full bath. Rooms are minimally appointed but comfortable. Housekeeping staff clean the rooms daily. Bottled water is always provided. Most rooms have twin beds, but a few have double beds. If you have a preference, please notify the trip leader at least three months before departure. Closets are provided in each room for hanging clothes, but coat hangers are scarce; please bring as many plastic coat hangers as you will need.

At Tarangire River Camp, we will be staying in two-person “luxury tents,” complete with private bath and porch.
